ENCLOSURE (1)

S-2 Command Chronology1. Significant Events

a. From 4 Sept to 2 Oct 1966, 3d Battalion, 3d Marines was in a training status at Camp Schwab, Okinawa. From 3 Oct to 28 Oct 1966, 3d Battalion, 3d Marines was afloat as a Contingency Force. No intelligence was gathered directly by 3d Battalion, 3d Marines during the period 4 Sept to 28 Oct 1966.

b. From 29 Oct to 31 Oct 1966, 3d Battalion, 3d Marines was located northwest of Dong Ha airfield. Limited patrolling was conducted, and only one incident, a V.C. initiated small arms incident occurred.

2. New Developments. No new developments noted.

3. Problem Areas

a. AN/TPS-21 is on administrative deadline due to lack of a Radar Technician. Tipsy will be most useful in 3d Battalion, 3d Marines new area.

b. Lack of interpreters defeat attempts to gain information from local populace. Five interpreters are being requested through S-1.

4. Weather. Weather around Dong Ha has been mostly cloudy with intermittent rain and moderate winds and temperatures. Weather has not hampered ground operations but has interrupted air operations periodically.

5. Intelligence Summary. Very little enemy activity was encountered. No booby traps, mines or fortifications were discovered. No sabotage or terrorism activities were noted. One V.C. initiated small arms incident took place between an unknown number of V.C. and a platoon patrol.

6. Daily Intelligence Summaries. Attached as Appendix A.
