NARRATIVE SUMMARY

1. GENERAL OVERALL VIEW OF ALL ACTIVITIES. During the month of July the Battalion operated from the Cam Lo District Headquarters and stable positions to the north. Eight company search and clear operations lasting from 4-14 days were conducted. The Battalion continued to emphasize night movement, logistic self-sufficiency, minimum dependence on helicopter support, and prolonged small unit patrols and ambushes. Development and improvement of the fixed positions as well as mine sweeps of Route #9 and Route #561 continued to demand a large part of the Battalion's effort.

Enemy contact was generally of small scale and brief in duration. During the period of 24-28 July, there was heavy fighting in the western part of the AO involving Co I and later Co K and Co A, 3d Tanks. There was a concentrated attack by a NVA reinforced company from the west and the southwest. The attack was concentrated on the tanks. Despite heavy use of RPG's, the tanks remained operational.

There was emphasis on close air support, TPQ's, and Beacon strikes throughout the month. Ambushes during this reporting period were very successful. Five ambushes were executed, killing 23 NVA and capturing 2 POW's.

On the 14th of July, the NVA rocket attacks on Con Thien and C-2 increased. Mortar attacks were minimal throughout the reporting period.

Operation Virginia Ridge terminated on the 16th of July and Operation Idaho Canyon began.

The Battalion S-5 worked throughout the month with the local civilian with Med Caps and Dental Caps in conjunction with RVN authorities. Scholarships for 31 Vietnamese children, whose fathers were killed in the defense of Vietnam, were requested for the school year 69-70.

23 Jul 0210H In the area of YD155747 elements of Co M received 15 60mm mortar rounds that landed outside the perimeter. Artillery was called with unknown results.

0800H In the area of YD155747 the Air Liaison had an AO search the area where an A6 beacon hop was used on 221835H. The AO observed 5 bunkers destroyed. The Air Liaison had observed a secondary explosion the previous day.

0800H In the area of YD155748 elements of Co M swept thru a bunker complex near the contact of 221920H. No blood or bodies were found but footprints were leading into the complex. The complex had 10 bunkers and were 2-3 months old. Also found a mortar position with a concrete base. Search of the area resulted in finding 21 82mm mortar rounds, 11 82mm mortar fuses, 2 NVA gasmasks in good condition, 1 belt, 2 picks, 1 NVA first aid packet, 4 NVA helmets, and 2 weaved baskets.

1600H In the area of YD165732 elements of Co M heard the NVA firing 60mm mortars on to their old position. They fired 6-8 rounds. Artillery was called on the enemy with unknown results.

24 Jul 0615-0730H In the area of YD090653 elements of Co I observed 6-8 NVA southwest of their position. Five minutes later 4-5 NVA appeared just outside of their lines. They were taken under fire with small arms and machinegun. Artillery provided blocking fires. Results were 4 NVA KIA's (The NVA were wearing new green utilities, tennis shoes, soft covers, and had fresh haircuts.), 1 Marine KIA and 3 WIA's, 4 AK47's, 3 NVA packs, 5 AK47 magazines, 3 gasmasks, 3 flashlights, 5 ponchos, 1 fan,

1 ~~band~~. 1 broken watch, 3 NVA canteens, 3 Chicom grenades, 1 bottle cleaning oil, 3 NVA maps, 1 compass, 2 NVA E-tools, 1 NVA pick. The maps were taken to S-2.

0745-1715H In the area of YD170715 elements of Co M discovered a grave complex consisting of approximately 120 graves. An AO had reported 20 fresh graves. Inspection and digging in the area determined that the graves were probably civilians from the area. Further searching uncovered a decomposed NVA body lying in a depression covered with clear plastic sheet, leaves, and dirt. Cause of death undetermined. 1 NVA KIA.

0800H In the area of YD137727 elements of Co M, while on patrol, had a Marine step on a mine. Searching of the area uncovered no more mines. 1 Marine KIA.

0850H In the area of YD129677 elements of Co K, while on a road sweep, discovered an AP mine. The mine was blown in place and the explosion indicated a larger charge under the mine. There were footprints leading to the southwest from the mine area.

0930H In the area of YD092728 an AO ran a fixed wing air strike on a bunker complex. There were 5 bunkers and 15m of trenchline destroyed.

0935H In the area of YD092653 elements of Co I received 10 82mm mortar rounds. AO was called on station while artillery and mortars were called on the suspected enemy position. Results unknown. There was 1 Marine KIA.

0945H In the area of YD164753 an AO checked for battle damage assessment of an A6 beacon hop run at 231807H. Results were 2 bunkers and 30m of trail destroyed.

1100-1230H In the area of YD091652 elements of Co I followed blood trails into a draw and sighted 1 NVA with a battle dressing on the right shoulder. The S-2 tried to get the man to Chieu Hoi but he fired his weapon instead and was killed. The unit continued to sweep the area and 75m further ahead another dead NVA was found. Both NVA had fresh haircuts, soft covers, and clean finger nails. Results were 2 NVA KIA's, 2 AK47's, 6 AK47 magazines, 2lb of rice, 6 packages of candy, 2 canteens, 1 gasmask, and 1 pair of binoculars.

1540H AO ran a fixed wing air strike at YD094728 on a suspected enemy position and the results were 2 bunkers destroyed and 1 secondary explosion.

1640H AO ran a fixed wing air strike at YD091716 on a suspected enemy position and the results were 1 secondary explosion.

1750H In the area of YD091553 Co I was receiving resupply by helicopter when 10-12 rounds of 60mm mortar was received. Counter fire and an AO were called with unknown results.

1800H In the area of YD080654 elements of Co I, while moving into their night position, discovered evidence of recent enemy

activity. The grass was flattened along the trail as if personnel had laid down and a mortar pit with aiming stakes was found.

1830H In the area of YD091653 elements of Co I began to drive north and received 3-4 rounds of sniper fire. There was 1 Marine WIA.

1845H In the area of YD088655 an AO received 25-50 rounds of 50cal fire (with tracers). Countered with AO's ordnance and artillery with unknown results.

25 Jul 1000-2045H In grid square YD0866 Co I received 15 60mm mortar rounds, 2 RPG rounds, and small arms fire while driving north, from a treeline. Countered with organic weapons and observed a 4 man NVA RPG team withdrawing to the southwest. An AO came on station and observed artillery missions. Co I marked the enemy position with 60mm mortar fire and the AO observed 8-10 NVA moving into the bushy area in the central portion of the grid square. Three flights of fixed wing had previously prepped the area with napalm and snake bombs. The AO called in more fixed wing and gunships. Two large secondary explosions were observed during the strikes. The AO and gunships reported taking small arms fire from the area. The fire was suppressed with OV10 ordnance. At 1230H the AO reported 1 NVA KBA, 4 NVA probable, 5 bunkers destroyed and 4 damaged. Between 1230 and 1315 the area of contact was searched locating 15 fighting holes, freshly dug. Co I coordinated with Co C, 1/3 to the west who was also in contact. Following the air strikes and artillery missions, a systematic search of the area resulted in finding 2 60mm mortars (1 damaged and 1 destroyed), 1 destroyed 82mm mortar, 3 damaged AK47's, 24 82mm rounds, 35 82mm fuses, 5 boxes of 82mm increments, 1 mortar evaluation sheet, 1 RPG round, several charred NVA packs, 10-12 lbs of rice, 7 AK47 magazines, 2 gasmasks. The trails showed fresh footprints leading into a bushy draw which was completely bombed out and still burning. The stench of burning flesh and dead bodies was overbearing throughout the area. The enemy force was estimated to have been a NVA company with supporting mortar, RPG, and machinegun platoons. It was most difficult to make a total body count due to the extensive bombing and napalming. 20 NVA KBA, possibly more.

26 Jul 0630-1050H In the area of YD083661 Co I continued the search of the contact area and discovered packs and 60mm mortar sight boxes with names and numbers on them; Troun Guon, Thi Tong, Quet, 0233 Chaoj, and Thoung 0233. Some equipment had been hit by shrapnel and some partially burned. Continued to find flesh and blood in the area. Also found 1 AK47, 2 NVA canteens, 3 AK47 magazines, 4 gasmasks, 3 NVA poncho liners, 2 Chicon grenades, 4 60mm mortar rounds, 2 NVA E-tools, 1 lbs of rice, 2 60mm mortar sight boxes, 3 bags of 60mm increments, 4 60mm fuses, and 2 NVA flares.

1000H In the area of YD061694 an AO ran 2 UH1E gunships, 2 flights of fixed wing, and his ordnance. The damage was 10 bunkers destroyed, 5 damaged, 1 trail cut, and 24 fighting holes destroyed.

1056-2015H In the area of YD0866 Co I continued searching the area of contact. Corpsmen assisted in evaluating the number of enemy killed. Many body parts were found throughout the area and assorted gear and weapons. All were charred and mangled. A 500lb bomb had made a direct hit on a fairly large bunker. A total of 8 NVA KIA were confirmed but more were undoubtedly killed in the area.

1045H In the area of YD077668 elements of Co K found a 60mm mortar round dated 1966.

1600H In the area of YD058698 an A0 ran 2 flights of fixed wing on a recent trail and bunker complex. The aircraft destroyed 2 bunkers and accounted for 2 secondary explosions.

2130H In the area of YD085662 elements of Co I, while moving into ambush positions, observed 3 NVA moving south. A hasty ambush was set but the NVA did not appear. Movement was heard to the flank and grenades were thrown with negative results.

2140H In the area of YD093666 elements of Co I heard movement north of their position, approximately 10-15m away. The unit threw grenades and received 1 Chicom grenade, wounding 2 Marines. While the unit was returning to their CP a short 105mm round landed near them wounding 7 Marines.

27 Jul 0800-0900H In the area of YD065675 an A0 ran 3 flights of fixed wing and 1 OV10 on an enemy mortar position and bunker complex. Eight bunkers were destroyed and 12 damaged.

0850H In the area of YD072672 Co K received 35-40 rounds of 82mm mortar inside their position. Artillery and fixed wing were called on the suspected mortar position. Results unknown. There were 9 Marine WIA's (3 from 3d Tanks).

0940H In the area of YD063684 elements of Co K observed 3 NVA moving into a treeline. Fired tanks and artillery with unknown results.

1125H In the area of YD065675 elements of Co K, on a sweep, discovered 2 new mortar positions, 1 bunker, and 9 fighting holes. Found in the bunker were 5 82mm mortar rounds. The mortar rounds and bunker were destroyed.

1920H In the area of YD085648 elements of Co K observed 2 NVA in camouflaged clothing crossing the trail into a treeline. Artillery and tanks were used with unknown results.

28 Jul 0100H In the area of YD093659 elements of Co K initiated contact, using Claymores, against a small NVA force. The NVA moved down the trail and another ambush was initiated using Claymores, small arms, and frag grenades. Results were 6 NVA KIA's, 2 AK47's with magazines, and 1 Marine WIA.

0325H In the area of YD085648 elements of Co K and Co A Tanks came under heavy RPG and small arms fire from the west and south west. An estimated 35-40 NVA were in the attack. The attack was

concentrated on the tanks. Three tanks were hit but all remained operational. The attack was repulsed with machineguns and small arms fire. Artillery illumination and blocking fires were used. At 0355H an AO and Spooky came on station and fired on routes of egress. Results were 3 Marine KIA's (Tanks) and 12 WIA's (6 from Tanks).

0430H In the area of YD134654 elements of Co H, 2/3 captured 1 NVA. He was moving south along the road and was wearing an NVA uniform with all distinguishing marks removed. He had 6 LT 3 stenciled on his collar. Results were 1 NVA POW, 2 Chicom grenades, medical gear, Russian made watch, and assorted papers captured.

0615H In the area of YD093659 elements of Co K discovered another dead NVA and 1 AK47. Continuing search.

0640H In the area of YD093659 elements of Co K continuing their search of the contact area. Results were 7 AK47 magazines, 3 NVA canteens (1 had the number 514 scratched on it), 8 Chicom grenades, 14 protein bars, and 1 flashlight. All items were destroyed.

0730H In the area of YD085648 Co K continued search of the area of contact. There were 7 heavy blood trails and drag tracks leading west and northwest. Results were 20 Chicom grenades, 2 RPG rounds, 1 AK47, and 1 NVA KIA. The gear was destroyed.

29 Jul No significant events.

30 Jul No significant events.

31 Jul 0020H In the area of YD077613 elements of Co I, while setting in an ambush site, heard movement to the rear of the ambush site. The sound indicated that the NVA were filling canteens in the stream. The ambush quickly reoriented itself to be able to execute the ambush from the rear. The ambush was executed with Claymores and heavy volleys of small arms and machinegun fire. The NVA returned sporadic small arms fire and several grenades. Four bodies could be seen in the killing zone. Sounds of the wounded NVA could be heard and at 0230H 1 NVA who apparently was playing dead made an attempt to escape by throwing grenades into the ambush site. The ambush returned fire and killed the NVA. The NVA were well groomed and the uniforms were in good condition. Results of the contact was 5 NVA KIA's, 1 NVA POW (corpsman), 12 canteens, 10 packs, 9 AK47's, 15 AK47 magazines, 1 binocular, 3 hammocks, 4 ponchos, 11 Chicom grenades, and assorted food captured. The uniforms had the number 4031 on them. The equipment was destroyed. There were 6 Marine WIA's.

1630H In the area of YD085621 elements of Co L, while on patrol, following a trail of blood and observed a wounded NVA. After capturing the NVA, interrogation revealed that he was wounded in the ambush executed by Co L and was a member of the 2d Co, 19th Bn, 31st Regt. His mission was to interdict Route #9. Company strength was 31 men. They had been operating in the area for the past 9 months however the POW had crossed the Ben Hai only 2

days prior. They had been heading back north due to the Marine activity in the area. Captured were 1 Chicom grenade and 1 Claymore mine.

1930H In the area of YD063645 elements of Co L observed 2 NVA moving into a treeline. Artillery was called with unknown results.
